CLERK: Yes, . sir. Mr. President, your Committee on Public Health reports 333 to General File, 623 to General File with amendments, 632 General File with amendments, 688 indefinitely postponed, all signed by Senator Wesely as Chair. (See pages 1222-28 of the Legislative Journal.)

New A bill, 217A, by Senator Beutler. (Title read for first time.)

Senator Schmit would like to print amendments to 584, to 575, and 60; Senators Morehead and Goll to 496. (See pages 1228-30 of the Legislative Journal.)

I have a series of confirmation hearing reports, one by Judiciary, and three by Education Committee. (See pages 1230-32 of the Legislative Journal.)

Senator Hall would like to add his name to 556 as co-introducer.

PRESIDENT: Speaker Nichol, do you have any word for the body this morning?

SPEAKER NICHOL: Well, except just to say that tomorrow we start at nine o'clock and we go all day, as you well know. We are on priority bills, so I'm sure you'll want to be here. Senator Chambers' first bill is not coming up for a couple of weeks or so, so we'll start with 2 and go on from there. I think Senator Lamb's is about third and we'll jump over that until next Wednesday, at which time we'll reconsider 38. But for the most part we'll be sticking pretty much to a little bit of Final Reading, not much, but primarily on individual priority bills. So stick around close from now on, we'll go to work starting tomorrow. I wasn't assuming that you were going to quit, but just get that in while we can. Thank you.

PRESIDENT: For what purpose do you rise, Senator Haberman?

SENATOR HABERMAN: Mr. President, I rise to move to adjourn until nine o'clock, tomorrow morning.

PRESIDENT: The motion is to adjourn. All those in favor
